PARTS WANTED

1951 Mercury, I am hoping someone may be able to assist me with a contact for a replacement steering wheel to suit my 1951 Mercury, which currently has the original steering wheel. I'm looking to change from the 18.5-

MERCURY

classifieds

in. steering wheel to the 16 in. steering wheel. I would like to find a steering wheel that's white in color to match the new interior, which is almost complete. I'm also hoping to find a replacement corner of the bumper and indicator surround, if possible. Contact Greg Jacobi in Australia at gregjacobi60@gmail.com.

Below: New 1940 Mercurys (right) and Fords of all types roll off the assembly line.

Save the Date for the 2025 IMO A Meet!

The 2025 IMO A Meet will be held from Oct. 8-11 in Memphis, Tenn. The show will be held Saturday, Oct. 11, with a precise location to be announced in the next *Quicksilver* and in upcoming email blasts.

Along with meeting with fellow Mercury owners and seeing their cars, there are many exciting things to see and do in Memphis: Visit Stax Records * Visit Sun Records * Visit Victorian Village * See The Peabody – Parade of the Ducks * Walk Beal Street for its shopping, restaurants and bars * Tour Graceland, home of Elvis Presley, and its 5 museums and 2 planes * Take the Haunted History Bus Tour * Enjoy the Memphis Discovery Tour * Check out the Memphis African-American Music History Tour on Beal Street * Set out on foot for the Beal Street Guided Walking Tour * See Elvis Presley's Birthplace Park * Enjoy numerous riverboat cruises * And more!
